Teachers! Send this worksheet home with students so that they may discuss their theatre-going experience with their families!

Families! Your child recently saw a play called Snow Angel at Young People's Theatre. In order to talk with them about their experience, use some of the questions listed below. Your child may wish to draw a picture of their response. Watching the clip from our website: <http://www.youngpeoplestheatre.ca/shows-tickets/snow-angel/> may help you in the discussion.

<p>How did you get to the theatre for your field trip? Was this the first time you rode _____?</p>	<p>What was theatre building like? (e.g. tall, big, noisy, crowded)</p>
<p>Where were you sitting?</p>	<p>Tell me about the story.</p>
<p>What did the set/costumes/masks look like?</p>	<p>Describe the characters. Were they funny, sad, kind, sweet, mean?</p>
<p>Which character did you like the best? Why? Was there a character you did not like?</p>	<p>Is there anything you would have changed about the play?</p>
