

## SHSM ARTS & CULTURE INDUSTRY WORKSHOPS

### SPEND THE DAY WITH INDUSTRY PROFESSIONALS AT YOUNG PEOPLE'S THEATRE (YPT)!

The day will start with YPT's production of *The Wizard of Oz*, followed by a "Tools of the Trade" post-show Q&A session that deals specifically with the technical elements of the show. Students will then participate in a behind-the-scenes tour. Led by YPT staff members, this tour will look at what it takes to mount a production and will include a history of the building and the company itself. It will include visits to our Props, Wardrobe, and Scene shops, the lighting and sound booth, and backstage. **This training day will culminate in certification workshops.**

Working with professional designers, carpenters and scenic artists, students will learn and practice hands-on technical theatre skills in one of the following certification workshops:

- A) Set Design
- B) Scenic Carpentry
- C) Scenic Painting

**WHEN:** May 4th, 2016

**WHERE:** Young People's Theatre, 165 Front Street East, Toronto, ON M5A 3Z4

**COST:** \$75.00 per student (includes one certification workshop, performance, Q&A and backstage tour)

#### SCHEDULE FOR THE DAY
