

FAQ

What is *Myself with Purpose*?

Myself with Purpose is a fun and interactive video series designed to introduce drama and play to children ages 3 to 8 (Pre-K – Gr. 2). Each video explores a theme: body, voice, and imagination.

Designed and hosted by professional YPT arts educators, the three 15-minute videos encourage children to use their body, voice, and imagination to help them think for themselves, self-regulate and understand their emotions – all while having a whole bunch of fun!

What is the age recommendation?

We recommend the series for ages 3 to 8 (Pre-K – Grade 2).

Are these only for home use? Can they be used in the classroom/daycare?

Myself with Purpose is designed for children wherever they are – in the classroom, at daycare, home, or online – any space that inspires play and imagination!
